

Supporting Recovery in Eastbourne & Hastings

January 2020

Full steam ahead at ESRA!

Nicole, Dave and Karlie at Café North

ESRA has kicked off 2020 with renewed vigour following an unplanned closure over Christmas and New Year. We have been pleased to welcome an influx of new clients who are keen to be part of the ESRA recovery community.

We are especially happy to welcome new staff member Nicole over at Café North. Together with some enthusiastic volunteers, she will be providing cooked breakfast and hot lunches for our clients at reasonable prices. Mark will continue delivering his usual brilliant kitchen service over in Hastings.

Karlie is now taking care of the day to day running of Café North, while Dave continues doing a brilliant job supporting volunteers and clients.

We are open from 9:30am till 3:00pm, Mon-Fri. It's business as usual at ESRA.

It's all about the funding!

We are delighted to confirm that The National Lottery Awards for All has given us some funding to train and support volunteers at ESRA.

This is one of three new revenue streams to boost ESRA resources in 2020. The others are Sussex Police Community and Devonshire West Local.

Thank you to all our fabulous donors. We couldn't do it without you.

Have your say

(A conversation about drugs and alcohol)

Do you feel that your community understands your needs as a service user? What works for you? What doesn't?

ESRA is one of many organisations holding focus groups on behalf of ESCC to learn from people who have first-hand experience of drug and alcohol services.

Kanna will be hosting focus groups as follows:

Eastbourne – Monday February 24th - 11am to 12:30pm

Hastings – Thursday February 27th at 12:30pm to 2pm

Everyone is welcome.

We want to know what you think!
